Sir,

ASSIGNMENT: (South Kanara) - Land - Grant to Political Sufferers - Puttur Taluk - Padnur village - S.No.65 - Portion from the middle of a compact block - Permission to assign - Report.

******

One Srimathi M. Kamalavathi Adhikari who is a genuine Political Sufferer has applied to me for the assignment of a portion of land about 10.00 acres in S.No. 65 of Padnur Village which forms part of a compact block of less than 200 acres. As this portion lies in the middle of a block, the petitioner was asked to select lands elsewhere. On her behalf, her husband who is also a Political Sufferer pointed out that the plot selected by her lies close to her mother-in-law's property in which she also gets a share and that the assignment of this plot alone would be convenient to her. The petitioner's husband declined to select lands elsewhere.

2. The Tahsildar of Puttur reported that the same plot may be assigned to her in view of the fact that the vacant land in between this plot and the patta lands in the north is rocky and unsuitable for cultivation.

3. I submit herewith my office current file pages 1 to 30 for reference and return. The eyesketch at page 25 of the file will show the situation of the plot and the small extent of vacant of land in the north which is reported to be rocky and unsuitable for cultivation. But for the fact that it is situated in the middle of the block I could have myself granted it on assignment to the Petitioner.

4. As it is, the portion applied for falls within the middle of block. In G.O.Ms.No. 939 dated 6--4--1949 (Board's B-458/49) the Government permitted as a special case, the assignment contiguously to individual Political Sufferers of lands in compact block of less than 200 acres in this district. In this case the plot applied for is situated in the middle of a block. Unless the rule is relaxed, the pprtion now applied for cannot be assigned by me. In view of the peculiar circumstances of this case, I request that the Government may be pleased to relax the rule in favour of the petitioner and permit me to assign the plot marked 65/C of Padnur Village.

Yours faithfully,

FOR COLLECTOR.

No lands were assigned to any one from out of this pact block. The political sufferer is entitled to a share in her mother's property. Land - (South Kanara). Patta lands, Padrun village - Sy. No. 65, compact block, Permission to assign in middle of the block.

From the Coll. of South Kanara P.S.R. 1/741 dated 21/8/51

Please see the Coll's letter and the Bd's refce in this cf.

2. For the reasons stated in his letter in para 2 of, the Coll. of South Kanara has requested that the condition that land should be assigned ~~from~~ contiguously beginning from one end of the compact block might be relaxed so that he might may assign 10 acres of land to Srimathi Kamalavalli Amma, a political sufferer in the middle of Sy. No. 65 of Padrun village which forms part of a compact block of less than 200 acres. The Board has not Board any remarks in the matter The Coll. has referred to the orders in G.O. Ms. No. 938 Rev. dt. 6/4/49 but those orders have been superseded by the orders issued in para 8 of G.O. Ms. No. 990 Rev. dt. 30/3/50 under which the Coll. has been permitted to assign to individual poll. Govt. lands in compact blocks in the dt. irrespective of the extent of the block.

3. The reason for the political sufferer insisting on the grant of this particular land is that it lies close to the land of one Mr. Rao in which she will get a share. The Tahsildar has recommended the assignment as the vacant land in between this plot and the patta lands in the North is rocky and unsuitable for cultivation. It is submitted

~~Land under para 6 of Co. No. 1523 Rev of 11.6.49 in compact blocks can be assigned only to co-operative Societies consisting of political sufferers. They have given a concession by agreeing to be bound by permitting the Colly to~~ that by concession that individual political sufferers might be granted lands contiguously Starting from one end of the block no condition has been laid down so that even after the portion of the land in the compact block is assigned to the political sufferer, the remaining land may still be a compact block and disposed of under para 6 of Co. No. 1523 Rev of 11.6.49. In the Circumstances it is for consideration whether Srimathi M. Kamalavathi Adhikari may be shown a further concession by permitting the colly to assign land to her in the middle of the compact block. Or it also mentioned that the political sufferer cannot insist on being assigned the land selected by her ~~then it is impossible to assign the same~~ if the same is objectionable.

p 2 (T)

4. ~~The matter may be considered in~~ In the circumstances it is for orders

(1) whether in the special circumstances reported by the colly, he will be permitted to assign the land in question in view of 'A' above

(2) whether the colly's request may be negatived

May be negatived as otherwise it may be difficult to enforce para 8 of Co 990 & 30-350 in other cases.

A political sufferer from South Kanara (Padnur village, Puttur taluk), Mrs.Kamalavathi Adikari has applied for the assignment of about 10 acres in S.No.65. There is no objection to the assignment of this land except that it is comprised within a compact block and the Collector of South Kanara has therefore requested Government's orders for relaxation of the ban against such assignments. The portion applied for is more or less in the middle of this compact block; but the land immediately to the north of this block and which adjoins some lands belonging to the petitioner's mother-in-law is rocky ground and unfit for assignment. Please see the sketch at page 35 of (P). I personally feel that we should relax the rule and allow assignment of this block, as some consideration has to be shown to the political sufferers and rules relaxed where necessary in their behalf. After all, the land is intended for assignment, although under the existing rules only to co-operative societies, etc.
